Welcome Mrs. Berg

The Maury High School Boosters Association warmly welcomes Mrs. Karen Berg as our school's interim principal. Mrs. Berg, who previously was an assistant principal at Maury, stepped in following Dr. Tottossy's departure for Colorado over winter break. We appreciate Mrs. Berg's willingness to serve and will do all we can to help during the transition.

Boosters Award Grants

The Maury Boosters Association recently awarded several grants. *The Maury Mix*, our school's student newspaper, received \$1,500 toward printing costs, and \$300 for a new digital camera. The Rocket Club received approximately \$340 for registration and materials to enter the Team America Rocketry Challenge, sponsored by the Aerospace Industries Association. An award of \$231 was granted to Maury's Physics Department to provide Webassign, an online homework, assistance and performance tracking program, for Advanced Placement Physics students.
