Boosters Award Grants

Maury Boosters recently awarded several thousand dollars in grants to Maury academic departments and organizations for items not funded by the school district. The English Department received \$487.50 to purchase classroom dictionaries and another \$1,185 for Shakespeare resource books. The Yearbook staff got \$1,300 for SLR cameras, and the Crew Team was given \$653 for rowing equipment.

Your support of Maury Boosters fundraisers makes it possible for us to provide financial support to our staff and students in the wake of increasing budget cuts.

Staff Appreciation

Thanks to the many parents who provided delicious desserts for the Maury Staff Holiday Luncheon. The Boosters paid for chicken and sides, and all the wonderful sweets brought in by parents made the luncheon extra special. Watch for coming information about Teacher Appreciation Week in the Spring. We appreciate our staff!
